Optional add-ons and standard exclusions

POPULAR ADD-ONS • External window cleaning • Carpet extraction / shampoo • Inside fridge • Specialist oven clean if not already included • Full wall washing • Ceiling / fly-spot cleaning • Garage deep clean • Upholstery cleaning • High-reach areas where safely accessible	USUALLY EXCLUDED UNLESS AGREED • Sticker / adhesive removal unless quoted • Moving heavy furniture • Blinds unless quoted • External areas unless quoted • Rubbish disposal unless agreed • Biohazard or human/animal waste cleaning • Oil / heavy stain removal from garage floors or walls • Chandeliers / fragile specialist fixtures • Paint, silicone or building-residue removal unless quoted
--	---

Deep cleaning includes more detailed attention than a regular clean. Exact inclusions depend on the property condition and accepted quote; specialist restoration, hazardous cleaning and inaccessible high-reach work are not automatically included. Availability of individual tasks is subject to safe access and the condition of the surface being suitable for cleaning.
